

Industry Type	Business Description	Project Description	# Employees	# Locations
Healthcare	Leading National Healthcare System	Time & Labor System Optimization, Training	167,300	436
Healthcare	Multinational Healthcare Services Company	Analytics and Scheduling Solution Optimization, Including System Health Assessment & Recommendations, Ongoing Application Layer Support, Managed Services (System Administration and Customer Service Support), Standardization and Client-side Support for Scheduling Solution and Analytics Solution for Healthcare Implementation, Analytics Assessment, Analytics Platform Implementation & Consulting, WFM Assessment, Implementation & Optimization, Training, Project Management	130,000	107 hospitals and 400 clinics
Healthcare	Large Regional Hospital	Analytics Assessment, LCO Dashboard	100,000	78 hospitals in 43 states
Healthcare	Large National Healthcare System	WFM System Implementation (Time & Labor and Analytics) and Upgrade, Training, Change Management, System Configuration, Integration & Optimization, Analytics Training and Knowledge Transfer, Client-side Premier Productivity Implementation, Reporting, and related processes support	70,760	114 facilities
Healthcare	Fortune 500 Healthcare Services Provider	Operational and Opportunity Assessment & Recommendations, Labor Cost Optimization, Business Process Improvement	70,000	235
Healthcare	Large University-affiliated Nonprofit Healthcare Provider	Interface Development, Schedule Import Modification	62,000	21 hospitals, 400 offices and clinics
Healthcare	Large Regional Health System	WFM System Interface Development	60,000	8 hospitals, 6 clinics, urgent care facilities
Healthcare	Largest Hospital System in California	Requirements Definition & Vendor Evaluation, WFM Centralization & Standardization, System & Process Optimization, WFM System Implementation (Timekeeping, Scheduling, Analytics), Training, Time & Attendance Configuration Support, Analytics Solution Deployment Support (Design, Configuration and Training Oversight), Analytics Platform Implementation & Consulting, Pay or Scheduling Practice Standardization, Implementation & Optimization, Vendor Evaluation/Selection, Training	60,000	48 hospitals

Industry Type	Business Description	Project Description	# Employees	# Locations
Healthcare	Large, Nonprofit Healthcare System in the Pacific Northwest	Project Management: Time & Labor, Scheduling Solution Implementation	49,434	62
Healthcare	Not-for-Profit Health System in Northern California	WFM System Implementation Support, Interface Development	48,000	30
Healthcare	Large National Healthcare System	Standardization and Client-side Support for Scheduling	39,000	26
Healthcare	The Health Services Corporation of The Church of Jesus Christ of Latter-day Saints Healthcare	Onsite assessment of Workforce Analytics for Healthcare (“WFAN”), Future State Roadmap, WFIQ, Analytics Assessment	37,000	1
Healthcare	Large Nonprofit Hospital System	Time & Labor Solution Integration, Client-side Analytics Solution Support and Report Validation, Custom Reports	35,000	22
Healthcare	Large, Not-for-profit Healthcare Organization	Managed Services for WFM Solution (test plan, scripts, reports, and interface development), Pay Practice Analysis, Review, Recommendations & Standardization, Time & Attendance Solution Go-live Support & Related Training Services (instructor-led training & related materials development, job aids, training database, web-based tutorials development), Upgrade Support	33,661	121
Healthcare	One of the largest nonprofit health care organizations in the United States, serving metro St Louis, mid-Missouri and Southern Illinois	Scheduler/Timekeeper v 63 to v8	31,340	15
Healthcare	International Chain of Senior Living Facilities	Timekeeping, Scheduling and Absence/Leave Management Solution Implementation	31,000	300
Healthcare	Chicago-area Hospital & Clinics	Workforce Management System Upgrade & Rollout	30,000	12
Healthcare	Large Global Hospital and Healthcare System	WFM System Training	30,000	60 hospitals and 175 clinics
Healthcare	University Healthcare System	Bi-Directional Interface	30,000	8 hospitals
Healthcare	Multidisciplinary academic medical center	Education Services, Training Development	23,000	1

Industry Type	Business Description	Project Description	# Employees	# Locations
Healthcare	Large Health System	WFM System Install/Upgrade, Timekeeping & Pay Practices	22,500	7 hospitals, 27 clinics
Healthcare	Large Health System in Southeastern US	Analytics Solution Integration, Implementation & Optimization	22,500	11 hospitals and 225 clinics and other medical offices
Healthcare	University Medical System	Pay Practice Assessment, Client-Side PM & Staff Augmentation, Timekeeping & Pay Practices	22,500	7
Healthcare	Children's Healthcare Network	Custom Reports for Scheduling Solution	21,774	21
Healthcare	Large Nonprofit Health Care System	Timekeeping and Scheduling Configuration and Interfaces	21,100	11
Healthcare	Large, Nonprofit Healthcare System	Analytics and Analytics for Healthcare Solution Upgrade	21,000	25
Healthcare	Large Healthcare System	Client-side Scheduling Solution Implementation Support (Discovery, Recommendations, Standardization, Configuration, Training, Post-go-live Support), Optimization & Analytics Solution Implementation and End-user Training, Post-implementation Analytics Support (Reports, Views, Dashboard Development and Modification), Analytics Platform Implementation & Consulting, WFM Assessment, Staffing Model Optimization, Implementation & Optimization, Training, Project Management	20,131	14
Healthcare	Pioneering solutions to population healthcare challenges	WFM Assessment, Scheduling, Time and Attendance, Absence Management, Project Management, Training, Change Management	19,000	48
Healthcare	Premier University Healthcare Network	WFM System Implementation: Leave and Attendance	17,900	3 hospitals, 8 Clinics, 1 School of Medicine,
Healthcare	Pennsylvania-based Health System	Enterprise Deployment Planning/Workforce Management Business Process Review, Client-side Project Management	17,530	19

Industry Type	Business Description	Project Description	# Employees	# Locations
Healthcare	Large East Coast Health System	Timekeeping Solution Train-the-Trainer Course Delivery and Materials Development	17,396	5 hospitals and numerous offices and clinics
Healthcare	Leading Emergency Medical Services Provider	WFM System Administration, Custom Reports, Integration	17,276	
Healthcare	Large University Hospital	Leave Implementation	17,116	5
Healthcare	National Healthcare Services Provider to Correctional Facilities	WFM Assessment, Business Case Development, Vendor Selection, WFM System Implementation (Time & Labor and Scheduling)	16,000	330
Healthcare	Top-Ranked University-Affiliated Hospital System	WFM Assessment & Roadmap Development, Initial Deployment Planning and Recommendations, Staffing & Scheduling Assessment and Recommendations, Staffing & Scheduling Standardization, Pay Practice Summit & Related Change Management Recommendations, Pay Policy Alignment Review, Change Management Services: Organizational Readiness Assessment, Strategy Development, and Communications Plan, Timekeeping & Scheduling Solution Implementation and Related Configuration, Interface Development, and System Optimization	15,000	4
Healthcare	Large Healthcare System	Bi-directional Interface Development	15,000	7
Healthcare	Large International Nonprofit Healthcare Organization	Timekeeping Solution Migration, Design & Configuration, Interfaces, Pay Practice Standardization Workshop	15,000	12
Healthcare	Colorado-Based Nonprofit Health System	WFM Standardization & Centralization, including Pay Practices, Scheduling & Staffing, Scheduling Solution Implementation, System & Process Optimization, Enterprise Deployment Planning, WFM System Upgrade, Training Services, Pay Practice Standardization, Analytics and Analytics for Healthcare Implementation and Upgrade, Analytics Knowledge Transfer, Client-side Financial Analyst Support, Analytics Platform Implementation & Consulting, WFM Assessment, Pay or Scheduling Practice Standardization, Implementation & Optimization, Enterprise Deployment Planning, Change Management, Training, Project Management	15,000	16

Industry Type	Business Description	Project Description	# Employees	# Locations
Healthcare	Large Healthcare System in Georgia	WFM Assessment & Roadmap Development, Enterprise Deployment Planning, Pay Rule Configuration, Employee Self Service, Attestation, and Collection Devices Implementation, Interfaces	14,000	6
Healthcare	University Medical Center & Clinics	Time Clock Configuration and Support, WFM System & Process Optimization: Time & Attendance Solution Configuration Analysis and Review of Related Processes, WFM System Upgrade	13,800	2 hospitals, 10 clinics
Healthcare	Large Regional Health System	WFM System Training Services, including Train-the-Trainer Course Delivery and Materials Development	13,000	5 hospitals
Healthcare	Large University Health System	Skill Mix and Scheduling Process Assessment, FTE Forecasting and FTE Status Modeling, Scheduling Optimization, Enterprise Deployment Planning, Timekeeping and Analytics Solution Implementation & Configuration, Deployment planning for Analytics Solution, Change Management/Training, Sick Rule Configuration, Timekeeping, Integration, Absence Management, Analytics, and Tablet Rollout Support, Change Management, Training, Preliminary Metrics Standardization, and Deployment Planning for Analytics Solution, Analytics Assessment, Analytics Platform Implementation & Consulting, WFM Assessment, Staffing Model Optimization, Enterprise Deployment Planning, Change Management, Training, Project Management	12,350	5
Healthcare	Private University Hospital	Time & Labor System Implementation, Training, Change Management, Interface Design, Development & Integration, Timekeeping & Scheduling Solution Training Materials Development	12,000	3
Healthcare	Large, Nonprofit Healthcare System	WFM Roadmap, Centralization & Standardization Enterprise Deployment Planning, Project Management, Business Process Reengineering, Timekeeping & Scheduling Solution Integration & Enterprise Rollout, Training, Managed Services (System Administration, Customer Service Support), Analytics Solution Enterprise Deployment Planning, Analytics for Healthcare Solution Implementation (Core), Analytics Assessment, Analytics Platform Implementation & Consulting, WFM Assessment, Pay or Scheduling Practice Standardization, Implementation & Optimization, Enterprise Deployment Planning, Training, Project Management	11,500	7
